Not what you're looking for, but a step forward hopefully. Trish Taylor works in OCPA, so I hope she will respond.

Hi Schatzi,

Attached is the response FFRRO sent to OCPA.

I'm unsure if it was revised after OCPA, however, it's the last email I received in that chain.

Hello:

Within the last month, a Knoxville-based reporter asked EPA some questions about the ORR dispute decision the previous Administrator signed. I believe FFRRO was the lead and OSRTI commented on draft

Please provide a copy of the final response assuming it's available. Thank you so much for your help.
